

## Emailed results from Snowman 2018

Hi - All

The results from yesterday are below. Congratulations to Tim and Colin for a good performance.

The river Colne seem to catch some teams out.

Some say the event lived up to its name, but I was hit by a series of 'hail' storms, either way certainly cold enough.

Place	Team	Station A	Station B
1	Tim Parker	3.34:30	2.35
2	Colin & Rosy Merry	2.51	3.56
3	Roy Emeny	2.35	3.57
4	Gary Parker	4.10	3.01
5	Alan Williams	2.39	4.20
6	Geoff Foster	2.55	
7	Graham Phillips	2.55:30	
8	Justin	Retired	

Station A (Peter L) was in Marvel's garden south of Pebmarsh and had most visitors

Station B (Philip) was in the old quarry workings at Rowhedge wharf

Thanks to those that took part especially to our friends from distant lands !

I had trouble getting a signal at ground level so hung the mobile above my head.

I have since read an iphone does not like being cold and shuts down despite having 70% charge.

The hail and snow was a bit of a surprise as well !

Then the battery for the TX died in the final minutes and the TX shut down.

Thanks to Phil for doing the admin, seemed everyone was happy with our efforts?

Regards

Larby
